
• **PRE-SURGICAL TECHNOLOGY** •

Associate in Science Degree

LENGTH: Four Semester (Two-Year) Program

PURPOSE: This program of study is a guide for students pursuing admission into Faulkner's Surgical Technologist Applied Science Degree. There is no STARS approved transfer guide in this area. The courses listed are required in most allied health areas and will meet Faulkner's Surgical Technology Applied Science Degree requirements as noted. This program is to be used as a guide only, but provides maximum flexibility for the student who has not yet made a career choice between a transfer baccalaureate program and an associate in applied science program. Once a choice has been made, the student should follow either the associate in applied science degree program of study or the STARS approved transfer guide.

AREA I WRITTEN COMPOSITION

ENG 101 & 102 English Composition I & II 6

AREA II HUMANITIES AND FINE ARTS

ART 100 or MUS 101 Art Appreciation or Music Appreciation 3

SPH 107 Fundamentals of Public Speaking 3
