Associate in Arts Degree

LENGTH: Four Semester (Two-Year) Program

PURPOSE: This program is a generic guide for students who plan to transfer and earn a bachelor in arts degree, but who have not selected a specific area of concentration. It includes the courses most common in the freshman and sophomore years of study. Students are encouraged to select a major and work with their transfer institution as early as possible in their Postsecondary career. This program is also designed to give students who plan to terminate their college education at the end of two years a strong background in the arts and sciences.
