Effective with the 2013-2014 academic year, the U.S. Department of Education has established new regulations to prevent fraud and abuse in the Federal student aid programs by identifying students with unusual enrollment histories.

You have been identified as a student with an unusual enrollment history that must be resolved before we can determine your eligibility for financial aid. Please carefully read and follow the instructions listed below.

- 1. Listed below are the Colleges/Universities that you have attended and are required to produce official college transcripts for. You may review the National Student Loan Data System (NSLDS) Student Access website at http://www.nsls.ed.gov/nsls_SA for prior schools attended.

Table with header: Official College Transcripts are required for each of the following: and 6 empty rows.

- 2. Request Official Academic Transcripts from each school listed above. Those transcripts should be sent to your home address. When you receive the transcripts DO NOT OPEN THE ENVELOPES. Only unopened transcripts are considered official.
3. Submit all of the UNOPENED transcripts TOGETHER to the Office of Financial Aid along with this completed form. Missing or unopened transcripts will delay this process and could result in financial aid not being processed.
4. No Federal Financial Aid will be processed until a review of the Unusual Enrollment History is complete and eligibility determined. Please be advised that you are responsible for payment of tuition and fees when payment is due pending the review of the Unusual Enrollment History. Please also be aware that you may not qualify for Federal Financial Aid eligibility; therefore, any out-of-pocket expense may not be refunded under Title IV Federal Financial Aid.

Once official transcripts from ALL prior schools and this form are received, they must be reviewed for coursework completion (withdrawals, failures, and incompletes are not successful completion) and financial aid timeframe limits. Average processing time is 7-10 business days. You will be notified by your student's campus email of the results of this review.

One form must be submitted for each transcript provided where no academic credits were earned. You must explain the reason for any withdrawals, failures, or incompletes (any courses not completed with a passing grade) from each college/university listed above in the section provided below. You must provide supporting documentation for the reasons provided. Please be aware that any unusual enrollment history appeal that does not have supporting documentation or is incomplete will be automatically denied.

Five horizontal lines for providing supporting documentation.
