

**FAULKNER STATE COLLEGE
OFFICE OF VETERANS AFFAIRS**

STATEMENT OF UNDERSTANDING

As a Chapter 30 or 33 Veteran with a DD214, I am exempt from taking P.E. courses. Any such course taken will not be certified through the VA.

I understand that the VA Educational Benefits will ONLY PAY for Course Work that is a required part of my Academic Program of Major. VA will not pay for any course work that is not required except if I have any free electives. VA will not also pay for any online remedial course.

I understand that I MUST view my Degree Plan every semester before I register to make sure I am only taking classes that are required to complete my degree. Once I have registered for classes I will complete the request for certification of enrollment form found under established veterans.

I understand that the initial processing of my VA Benefits Application and Enrollment Certifications to VA Regional Office in Muskogee Oklahoma generally takes about 4-6 weeks after transmission to receive the First VA Check. If I am a continuing student whose enrollment has not changed this will not apply.

I understand that I must Report any of the following changes to the Faulkner State College VA Office Immediately. Failure to do so can create an overpayment situation.

- 1. Total Withdrawal from school**
- 2. Add/Drop Course Work**
- 3. Change in Major or Program of Study**
- 4. Change in Correspondence Address**

I am also responsible for paying any expenses if the VA does not pay.

**Student's Signature _____
Date Signed _____**

You may return this form to the Veteran Affairs Office in Bay Minette, fax to 251-580-2292 or email the completed form to Veterans@faulknerstate.edu or Matthew.Watkins@faulknerstate.edu
