

ORIENTATION & REGISTRATION SCHEDULE

REQUIRED NEW STUDENT ORIENTATION POLICY

All new students are required to attend New Student Orientation. Our Orientation Program is designed to acquaint you with campus facilities and services, college policies, and to assist you in your academic environment. You will also learn about general academic requirements and have the opportunity to participate in an academic placement program (ACCUPLACER) that will help us in planning your schedule of classes. The ACCUPLACER Advisement/Placement Inventory results will not affect or influence student admission or grade point average at Faulkner State. Students can neither pass nor fail the inventory. There is no charge for this service.

While the ACCUPLACER Advisement/Placement Inventory is required of all new students, there are some exceptions. Students in the following categories do not have to take the inventory:

- Audit only students
- Transient students
- Students scoring 510 or above on English/Writing, 510 or above on Reading and 510 or above on Math on the SAT
- Students scoring 18 or above on English, 20 or above on Reading and 20 or above on Math on the ACT who enroll in a System College within three years of high school graduation
- Students who have an associate degree or higher
- Students who transfer degree-credible college-level English or mathematics courses with a grade of "C" or better
- Senior citizens, undeclared, and other non-award seeking majors who are taking classes for avocational reasons only
- Students in certain short certificate programs having no English or mathematics requirements
- Students who have completed required developmental coursework at another Alabama Community College System institution within the last three years
- Students who can provide documentation of assessment within the last three years.

ALL DOCUMENTATION TO QUALIFY MUST BE PRESENTED IN WRITING AND APPROVED BY THE ADMISSIONS OFFICE OF FAULKNER STATE COMMUNITY COLLEGE PRIOR TO REGISTRATION. (Since your high school transcript may or may not contain your ACT or SAT scores, please mail a copy of your student score report to us).
