\* BIO101 is Introduction to Biology for non-science majors. Do not take BIO101 if you plan on majoring in Science, Health or Medicine. Also, do not take BIO101 if your major requires a Natural Science sequence. BIO101 cannot be substituted for BIO103. BIO101 is a Code "A" transfer course (refer to the College Catalog and Student Handbook for transfer codes). If you have any questions regarding BIO101, contact your advisor, the Natural Science Division Chair or refer to your STARS guide.
